This paper was published online on 28 October 2011 with production errors in Tables I, II, and III. In Tables I, II and II all units after λ should be read as “(nm)” not “/nm.” In Table II, the sixth column heading should read as “ λ_{obs} (nm)” and the seventh should read “Charge state.” The tables have been corrected as of 2 November 2011. The tables are correct in the printed version of the journal.
