Erratum: Stability and Teller's theorem: Fullerenes in the March model
[Phys. Rev. A 56, 632 (1997)]

Dennis P. Clougherty and Xiang Zhu

PACS number(s): 36.40.Qv, 31.10.+z, 99.10.Cd

The sentence in the first paragraph of the second column on p. 632 should read "Our numerical results are in exact agreement with the results of Siringo *et al*. [1]. Both studies obtained an equilibrium radius of 3.89 Å, a value 9% higher than the experimental radius."

---
