There are typographical errors in Eqs. (12) and (13) where the factor F_c was omitted by mistake.
Equation (12) should read as

$$\langle U \rangle = F_c U_0 \frac{c}{v_e} \frac{L_w}{d} \left(1 - e^{-\frac{v_e}{L_w} t} \right). \quad (1)$$

Equation (13) should read as

$$\langle U \rangle = F_c U_0 \frac{c}{v_e^{\text{eff}}} \frac{L_w}{d} \left(1 - e^{-\frac{v_e^{\text{eff}}}{L_w} t} \right). \quad (2)$$

The typographical errors did not affect any results, discussions, or conclusions in the paper.
