
Erratum

**Erratum: Localized excited states observed in superconducting quench-condensed
and annealed manganese-doped zinc films
[Phys. Rev. B 29, 2503 (1984)]**

B. D. Terris and D. M. Ginsberg

The values listed in Table III for σ (meV) associated with DOS I and DOS II of annealed Zn-Mn should be 0.0174 and 0.0176, respectively.
