Erratum: Line-shape description for Mössbauer conversion-electron and transmission geometries [Phys. Rev. B 49, 12 425 (1994)]

R. A. Wagoner and J. G. Mullen

We have noticed two errors in our paper. On page 12 426, line four of the second paragraph in the right column should be changed from $x = (E_0 - E_r)/\Gamma$ to $x = [(v/C)E_0 - E_r]/\Gamma$.

On page 12 429, line thirteen of Sec. IV should be changed from $f_s C_0$ to $(1 - f_s)C_0$. These changes do not affect the conclusions of the paper.
