We note several typographical errors in our recent paper. In the abstract, second to third lines,  $E_T \sim (1 - \epsilon/\epsilon_c)^\gamma$  should be  $E_T \sim (1 - \epsilon/\epsilon_c)^{-\gamma}$ , and in Eq. (1) on page 14 578,  $(1 - \epsilon/\epsilon_c)^\gamma$  should be  $(1 - \epsilon/\epsilon_c)^{-\gamma}$ . Also, the abscissa labels for Fig. 5 and the inset should be  $(1 - \epsilon/\epsilon_c)^{-1}$ . These corrections do not affect our results or conclusions.
