The reference number 8 [P. Chaddah, K. V. Bhagwat, and G. Ravikumar, *Physica C* **159**, 570 (1989)] is missing at the end of the third sentence in Sec. II titled “Calculation of the magnetization curves.” The third sentence should read as

The direction and the magnitude of the shielding current, for any change in the external field, is assumed to be such so as to minimize the change of the total flux contained in the sample.⁸
