This paper was published online on 19 April 2004 with a typographical error in the title. There should be a subscript '2' after the Bi in the first chemical formula. The title should read "Comparative study of the I - V scaling in highly anisotropic $\text{Bi}_2\text{Sr}_2\text{CaCu}_2\text{O}_{8+\delta}$ and isotropic $(\text{K},\text{Ba})\text{BiO}_3$ heavy-ion-irradiated single crystals." It has been corrected as of 24 May 2004. The title is not correct in the printed version of the journal.
