This paper was published online on 5 July 2005 with an omission of an author affiliation and a formatting error in Ref. 7. The first author, P. Richard, should also be affiliated with "Département de Physique, Université de Sherbrooke, Sherbrooke, Canada J1K 2R1." Reference 7 should read as "...Phys. Rev. B **71**, 144425 (2005)." The affiliation and reference were corrected as of 6 July 2005. Both are correct in the print version of the journal.
