PACS number(s): 61.10.Kw, 68.35.Ct, 99.10.Cd

We, the authors, formally acknowledge that this article reproduces, without attribution, portions of text from an earlier uncited paper.¹ We apologize to the editors and to the authors of the earlier article. Reference 1 is quite relevant to our paper and should have been cited. In addition, we regret that we did not cite a preliminary version of this work that appeared as a conference proceeding.²
