This paper was published online on 30 October 2007 with curve description errors in the captions of Figs. 1 and 2. The caption of Fig. 1 should read as “FIG. 1. (Color online) (a) Band structure of CaC₆ monolayer (black continuous line) and graphene (red continuous and dashed) using the same in-plane lattice parameter, namely $a=2.47$ Å. The size...”. The caption of Fig. 2 should read as “FIG. 2. (Color online) (a) Band structure of CaC₆ monolayer (black continuous) and of graphene (red dashed) plotted...”. The captions have been corrected as of 31 October 2007. The captions are correct in the printed version of the journal.
