

**Erratum: Role of pair-vibrational correlations in forming the odd-even mass difference
[Phys. Rev. C **99**, 054315 (2019)]**

K. Neergård and I. Bentley

(Received 28 June 2019; published 23 July 2019)

DOI: [10.1103/PhysRevC.100.019902](https://doi.org/10.1103/PhysRevC.100.019902)

In Table II of the published article, data for certain odd- A nuclei were inadvertently left out. Table I in the present Erratum provides the missing data that were used in the calculations. The results and conclusions of the original article are not affected.

TABLE I. Deformations used in the calculations reported in the published article but missing in its Table II.

Nucleus	ϵ_2	γ (deg)	ϵ_4	Nucleus	ϵ_2	γ (deg)	ϵ_4	Nucleus	ϵ_2	γ (deg)	ϵ_4	Nucleus	ϵ_2	γ (deg)	ϵ_4
