

Errata

Erratum: Fusion-energy reaction ${}^3\text{H}(\text{d},\alpha)\text{n}$ at low energies [Phys. Rev. C 35, 1999 (1987)]

Ronald E. Brown, Nelson Jarmie, and G. M. Hale

The entry for e_n in Table V under “Multilevel, $n=2$ ” is ten times too large. It should read $0.1833\,98[-2]$.

Erratum: Effects of center-of-mass motion in the resonating-group theory of $\text{n}+\alpha$ scattering [Phys. Rev. C 35, 1985 (1987)]

P. N. Shen and Y. C. Tang

In Eq. (14), the factor

$$\left[-\frac{\tilde{\alpha}}{2} + \kappa \right]$$

should be

$$-\left[\frac{\tilde{\alpha}}{2} + \kappa \right].$$
