

Errata

Erratum: *P*- and *CP*-odd terms in the photon self-energy within a medium [Phys. Rev. D 39, 652 (1989)]

José F. Nieves and Palash B. Pal

We wish to correct the following typographical errors.

- (1) In Eqs. (5.3) and (5.4), $e_\nu(k\lambda)$ should be replaced by $e_\nu^*(k\lambda)$.
- (2) The sign in front of $\lambda\pi_p$ in Eq. (5.5) should be minus.
- (3) The sign of ϵ_p should be reversed in Eqs. (6.17)–(6.20).
