Erratum: Extension of $\mathcal{PT}$-symmetric quantum mechanics to quantum field theory with cubic interaction [Phys. Rev. D 70, 025001 (2004)]

Carl M. Bender, Dorje C. Brody, and Hugh F. Jones

We would like to correct the following two errors in this paper. In Eq. (20) the final term $-12p$ should be replaced by $-32p$. In Eq. (34) the expression for $[H_0, Q_7]$ should have an overall minus sign. Neither of these replacements affects the rest of the paper.
