Equation (8) has a misprint; the correct equation is

$$\frac{1}{\pi} \text{Im}\Pi_0(s)|_{a_1} = C f_{a_1} \exp \left[ - \left( \frac{s - M_{a_1}^2}{\Gamma_{a_1}^2} \right)^2 \right]. \quad (8)$$

There are no other changes in the rest of the paper, as all calculations were performed with the correct equation.
