
ERRATA

Erratum: Stochastic averaging of the time-evolution operator for quantum systems driven by Ornstein-Uhlenbeck colored noise: A nonperturbative cluster cumulant method [Phys. Rev. E 47, 2336 (1993)]

S. Guha, G. Sanyal, S. H. Mandal, and D. Mukherjee

PACS number(s): 05.40.+j, 05.30.Jp, 99.10.+g

The value of δ displayed in the Figs. 5, 6, 9, and 10 should be -2.0 rather than 2.0 . Similarly, the value displayed in Figs. 17–19 should be -0.4 rather than 0.4 . The portions of the text where these figures are described as well as the captions should also be read with these corrections in mind. None of the conclusions are affected by these corrections.
