Equation (10) of the published paper contained a misprint. The correct equation is as follows:

$$R = \int \mathcal{D}z \frac{\int \mathcal{D}y [1 + 2re^\gamma \cosh(\beta\sqrt{H(z,y)^2 + \Gamma^2})]^m \frac{H(z,y)^2}{H(z,y)^2 + \Gamma^2} \left[\frac{2re^\gamma \cosh(\beta\sqrt{H(z,y)^2 + \Gamma^2})}{1 + 2re^\gamma \cosh(\beta\sqrt{H(z,y)^2 + \Gamma^2})} \right]}{\int \mathcal{D}y [1 + 2re^\gamma \cosh(\beta\sqrt{H(z,y)^2 + \Gamma^2})]^m}. \quad (10)$$

This correction does not influence the following discussion or results presented in the paper.
