Publisher's Note: Generating functionals and Gaussian approximations for interruptible delay reactions [Phys. Rev. E 92, 042105 (2015)]

Tobias Brett and Tobias Galla

This paper was published online on 5 October 2015 with an error in Eq. (2). Equation (2) should read as

$$x_{t+\Delta,\alpha} - x_{t,\alpha} = \frac{1}{\Omega} \sum_i \sum_{\tau>0} \left[v_{i,\alpha} k_{i,t}^\tau + w_{i,\alpha} m_{i,t-\tau}^\tau + \sum_{0<s<\tau} u_{i,\alpha} \ell_{i,t-s}^{\tau,s} \right].$$

The equation has been corrected as of 8 October 2015. The equation is correct in the printed version of the journal.
