Erratum: Lattice Study of the Conformal Window in QCD-Like Theories
[Phys. Rev. Lett. 100, 171607 (2008)]

Thomas Appelquist, George T. Fleming, and Ethan T. Neil

A pair of equations in our original work were transcribed incorrectly and are missing factors of 2. Equation (5) should read

$$b_3^{\mathrm{SF}} = b_3^{\overline{\mathrm{MS}}} + \frac{b_2 c_2}{4\pi} - \frac{b_1(c_3 - c_2^2)}{16\pi^2},$$

and Eq. (6) should read

$$b_3^{\overline{\mathrm{MS}}} = \frac{2}{(4\pi)^6}\left[\frac{2857}{2} - \frac{5033}{18}N_f + \frac{325}{54}N_f^2\right].$$

We stress that the correct numerical values for these quantities were used throughout our analysis. In particular, the 3-loop perturbation theory curves displayed in Figs. 1 and 2 are unchanged.

We thank P. Weisz and U. Wolff for drawing our attention to these errors.
