This Letter was published online on 20 April 2010 with two typographical errors and an omission of an author name in the author list. In the author list, “D. Ivanov” should be added, associated with the third affiliation: “Department of Physics and Astronomy, Rutgers University The State University of New Jersey, Piscataway, New Jersey, USA.” In the author list, there is a missing period in the author name “B. F. Jones.” Reference [4] should read as “K. Greisen, Phys. Rev. Lett. **16**, 748 (1966).” The Letter has been corrected as of 5 May 2010. The text is incorrect in the printed version of the journal.
