Publisher's Note: No-Scale Supergravity Realization of the Starobinsky Model of Inflation [Phys. Rev. Lett. 111, 111301 (2013)]

John Ellis, Dimitri V. Nanopoulos, and Keith A. Olive

This paper was published online on 9 September 2013 with an error in the second line of Eq. (4). The second line of Eq. (4) should read as

$$\begin{pmatrix} (T + T^*)/3 & -\phi/3 \\ -\phi^*/3 & 1 \end{pmatrix} \begin{pmatrix} \partial^\mu \phi \\ \partial^\mu T \end{pmatrix}. \tag{4}$$

The equation has been corrected as of 12 September 2013. The equation is correct in the printed version of the journal.
