PHYSICAL REVIEW LETTERS

Publisher's Note: New Integrable 4D Quantum Field Theories from Strongly Deformed Planar $\mathcal{N}=4$ Supersymmetric Yang-Mills Theory [Phys. Rev. Lett. **117**, 201602 (2016)]

Ömer Gürdoğan and Vladimir Kazakov
(Received 28 November 2016; published 15 December 2016)

This Letter was published online on 11 November 2016 with an error in the text on page 5 and in Ref. [34]. The last sentence in the left-hand column on page 5 should read as "We provide an expression for $\gamma^{(2)}(L)$ in a *Mathematica*-compatible format in the Supplemental Material [34]." Reference [34] should read as "See Supplemental Material at http://link.aps.org/supplemental/10.1103/PhysRevLett.117.201602 for an expression for $\gamma^{(2)}(L)$ in a *Mathematica*-compatible format." The Letter has been corrected as of 30 November 2016. The text and reference are incorrect in the printed version of the journal.
