ENERGY DEPENDENCE OF THE ISOSPIN-NON-CONSERVING REACTIONS  $^{12}\text{C}(d, \alpha)^{10}\text{B}(0^+, T=1)$  AND  $^{16}\text{O}(d, \alpha)^{14}\text{N}(0^+, T=1)$ . J. V. Noble [Phys. Rev. Letters 22, 473 (1969)].

References 10, 11, and 12 were ordered incorrectly. Their numbers should be changed to 11, 12, and 10, respectively, to make them correspond with the text. Also, Ref. 14 should read "C. L. Cocke, private communication. See also Noble, Ref. 12."

HIGH-RESOLUTION METHOD FOR CALCULATING SPECTRA OF SOLIDS. G. Gilat and Z. Kam [Phys. Rev. Letters 22, 715 (1969)].

There are three printing errors in the text. Equation (7) should read  $\xi_1(w) = (a_1/\lambda_1)w$ ,  $\xi_2(w) = \xi_3(w) = 0$ . The second expression of Eq. (9) should read  $\xi_2(w)S(w) = (\Omega a_2/3\lambda_2)(-w^3 + 3w_1w_3w)$ . In the line after Eq. (14), the range is  $w_3 \leq w \leq w_4$ .
