SPECTRUM OF CHARMED QUARK-ANTIQUARK BOUND STATES. E. Eichten, K. Gottfried, T. Kinoshita, J. Kogut, K. D. Lane, and T.-M. Yan [Phys. Rev. Lett. 34, 369 (1975)].

Immediately below Eq. (2), the phrase "in contrast to Ref. 8 for a Coulomb field..." should be replaced by "in contrast to 8 for a Coulomb field..."

The last two entries for the angular correlation  $W$  in Table II are incorrect. They should read  $1 + \frac{1}{5} \cos^2 \theta_{12}$  and  $1 + \frac{21}{73} \cos^2 \theta_{12}$  for the sequential transitions  $(J=1) \rightarrow (J=1) \rightarrow (J=1)$  and  $(J=1) \rightarrow (J=2) \rightarrow (J=1)$ , respectively. These angular correlations have also been obtained by G. J. Feldman and F. J. Gilman [Phys. Rev. D 12, 2161 (1975)]. We thank Professor Gilman for bringing the error to our attention.

PLASMON DISPERSION AND ANISOTROPY IN POLYMERIC SULFUR NITRIDE,  $(SN)_x$ . C. H. Chen, J. Silcox, A. F. Garito, A. J. Heeger, and A. G. MacDiarmid [Phys. Rev. Lett. 36, 525 (1976)].

On page 525, column 1, bottom line, the phrase "momentum-transfer resolution of  $\sim 0.95 \text{ \AA}^{-1}$ " should read "momentum-transfer resolution of  $0.05 \text{ \AA}^{-1}$ ." On page 527, line 3 of caption to Fig. 3, the phrase "measured at  $q \simeq 1 \text{ \AA}^{-1}$ " should read "measured at  $q \simeq 0.1 \text{ \AA}^{-1}$ ."
