

**Erratum: Crossing Lattices, Vortex Chains, and Angular Dependence of Melting Line
in Layered Superconductors
[Phys. Rev. Lett. 83, 187 (1999)]**

A. E. Koshelev

The first sentence after Eq. (8) contains a mistake. The correct sentence should read as follows: The linear dependence holds until the JV cores start to overlap at $B_x \approx \Phi_0/\gamma_{\text{eff}}s^2$.
