This paper was published online on 3 June 2004 with a typographical error on p. 2. In line 8 of the left-hand column of p. 2, the angle should be 30° . The sentence now reads "But if the angle is smaller than 30° , the x rays emitted . . ." It has been corrected as of 4 June 2004. The text is correct in the printed version of the journal.
