

Publisher's Note: Experimental Evidence for a High-Pressure Isostructural Phase Transition in Osmium [Phys. Rev. Lett. 93, 095502 (2004)]

Florent Occelli, Daniel L. Farber, James Badro, Chantel M. Aracne, David M. Teter, Michael Hanfland, Bernard Canny, and Bernard Couzinet

(Received 26 August 2004; published 1 September 2004)

DOI: 10.1103/PhysRevLett.93.109901

PACS numbers: 61.66.Bi, 07.35.+k, 62.20.Dc, 61.10.Nz, 99.10.Fg

This Letter was published online on 24 August 2004 with an equation displayed incorrectly. On p. 2, second paragraph, the fractional exponents in the Birch-Murnaghan equation should be displayed as “ $-7/3$, $-5/3$, $-2/3$,” respectively. The Letter has been corrected as of 26 August 2004. The text is correct in the printed version of the journal.
