Erratum: Ellipsoidal Universe Can Solve the Cosmic Microwave Background Quadrupole Problem [Phys. Rev. Lett. 97, 131302 (2006)]

L. Campanelli, P. Cea, and L. Tedesco

Equation (23) in the Letter should read

$$f(\vartheta, \varphi; \phi_1, \phi_2, \phi_3) = \frac{1}{4\sqrt{5}}\{2\sqrt{6}[-\sin\vartheta\cos(2\varphi + \phi_3) + 2\cos\vartheta\cos(\varphi + \phi_2)]\sin\vartheta - [1 + 3\cos(2\vartheta)]\cos\phi_1\}.$$

The correct formula was used in the calculation and plots presented in the Letter.
