On p. 591, the following sentence appeared: "Thus the vortex described numerically by Thuneberg (see Thuneberg, 1986b) is nothing but the C_2 -symmetric v vortex, also obtained by the present authors (Volovik and Salomaa, 1985b; Salomaa and Volovik, 1986a) using a different method."

This sentence should read: "Thus the vortex described numerically by Thuneberg . . . is nothing but the C_2 -symmetric v vortex subsequently obtained by the present authors . . . using a different method."
